

Associate Director - Information Services Houston Academy of Medicine - Texas Medical Center Library

Innovative? Inspired? Interested in providing leadership to an outstanding team of biomedical librarians? The [Houston Academy of Medicine-Texas Medical Center Library](http://www.gossagesager.com/HAMdesc.htm), one of the largest academic health sciences libraries in the U.S., is seeking an Associate Director of Information Services with such characteristics.

The successful candidate will exhibit strong leadership skills and manage the operations of the Information Services Department at HAM-TMC Library, including: strategic planning; program and collection development and management; all aspects of managing staff; developing and implementing educational opportunities including clinical librarianship, rounding and working with our teaching hospitals; marketing the library's services and programs; and evaluating and implementing necessary technologies to enhance library services. The complete job description can be found at www.gossagesager.com/HAMdesc.htm.

The Houston Academy of Medicine-Texas Medical Center Library serves 40+ member institutions with a staff of 60 and a budget of \$8 million. The Library's collection includes 362,000+ monographs, 9,101 electronic journals, and 100+ database subscriptions. The HAM-TMC Library is also the Regional Medical Library for the National Network of Libraries of Medicine South Central Region. Additional information on the Houston Academy of Medicine-Texas Medical Center and the surrounding metro area can be found at: www.gossagesager.com/HAMlinks.htm

Minimum Requirements: The qualified candidate will have an MLS from an ALA-accredited institution and a minimum of five years progressively responsible library experience. Additional desirable qualifications include an additional graduate degree in the health services or experience in an academic health center environment, demonstrated professional commitment, and successful fundraising and grant-writing experience.

Compensation: \$70,000 - \$80,000 with a competitive benefits package.
